

Instructions for Goodwill Largo Volunteer approval

You must fill out the Goodwill Largo Volunteer application. After it's filled out it needs to be dropped off at Goodwill Largo. Ask for it to be put in the mail slot of Kevin Bonsignore. Someone from that facility will contact you for further instructions. It usually takes about 3 months to get approved and then there's an orientation that they will schedule you for.

Goodwill Largo is located on the southbound ramp off Route 19 to E. Bay Dr.

The address is 16432 US 19 North, Clearwater, Florida 33764

The easiest way to get there is to take Route 19 north off E. Bay Drive. Avoid entering the highway (stay right) then take a left under the highway. Another left reverses your direction and Goodwill is on the right.

Once approved you may bring a guest speakers with you (with a photo I.D.) to the facility. Guidelines will be supplied by the Corrections Committee prior to your first commitment. Contact Corrections Committee for scheduling
